

Dear Library Patron:

Who are the people coming to the Pottstown Regional Public Library?

- A preschooler attending story time
- An adult using a public computer to fill out a job application
- A family checking out a museum pass for an educational and fun day
- An adult using a quiet area to prepare for a professional examination
- Two sisters researching their family in the newspaper archives
- A legally blind patron browsing our audiobook collection with the assistance of a staff member
- A student checking out a WiFi HotSpot to access Internet at home for school projects

These people, and many more like them, are using the Pottstown Regional Public Library for educational, recreational, social, financial, and professional reasons. With your library card you have access to a wealth of materials and resources, both in the Library and through the Library website. Since 1921, the Pottstown Regional Public Library has existed to meet the needs of our community. This goal is not possible without your support.

PrPL is a 501(c)(3) non-profit. Financial support from patrons, businesses, and foundations is essential. We would welcome a donation to this year-end campaign, which will provide much-needed support for services and programs.

Thank you for your generosity,

Susan Davis,
Executive Director

Michelle Kehoe,
Executive Director Designate

Facebook & Survey Comments:

Libraries are incredibly important to the health, welfare, and wellbeing of a community. They are a valuable resource and we are happy to have such a friendly engaged staff in Pottstown.
- Upper Pottsgrove resident

The library is one of my family's favorite haunts! When we die, if we become ghosts, we'll STILL likely go to the library;)
- Pottstown resident

Love the remodel! We just took my 5 year old to get her very first library card. The process was quick and easy, and the children's section has a wonderful selection for all ages. Can't wait to go back!
- Jessica W.

I had the opportunity to take my 3 year old granddaughter to storytime throughout the summer months. Not only was it educational it was also fun and very entertaining. Very happy to have this in our community.
- Janet F.
